# ESTATE PLANNING

## *preparation*

**Prior to your consultation, we  
recommend brainstorming answers  
to the following questions:**

- Are there any specific gifts you would like to make?
- To whom would you like your personal and real property to pass to upon your death?
- Who should manage your estate at your death?
- If you have children under 18, who should be their guardian at the deaths of you and your spouse?
- Do you want to be buried, cremated, or something else?
- In the event you become temporarily or permanently incapacitated, who should be authorized to handle your financial and administrative affairs?
- In the event you become temporarily or permanently incapacitated, who should be authorized to make health and medical treatment decisions for you?
